

Ursula Griebler (Mager)	
Contact details	Department for Evidence-based Medicine and Evaluation University for Continuing Education Krems (Danube University Krems) Dr.-Karl-Dorrek-Straße 30 3500 Krems, Austria Tel: +43 2732 893 - 2914 E-Mail: ursula.griebler@donau-uni.ac.at
Professional education/training	
2003-2008	PhD in Clinical Nutrition, Faculty of Medicine, Department of Clinical Nutrition, University of Kuopio (Finland)
2001-2002	Master of Public Health (MPH), University of Kuopio (Finland)
1997-2003	MSc in Nutritional Sciences, University of Vienna (Austria)
Professional appointments	
12/2022-present	Member of the Committee for Equality Issues at University for Continuing Education Krems representing the scientific staff
03/2016-02/2017	Parental leave (son Aaron)
2015-present	Founding Member and Coordinator (2017-2019) of Cochrane Public Health Europe
08/2012-08/2013	Parental leave (daughter Noora)
2011-present	Senior research associate, University for Continuing Education Krems (Danube University Krems), Department for Evidence-based Medicine and Evaluation (Austria)
2009-2011	Freelance systematic reviewer, University for Continuing Education Krems (Danube University Krems), Department for Evidence-based Medicine and Evaluation (Austria)
2008-2011	Postdoctoral and then senior researcher, Ludwig Boltzmann Institute Health Promotion Research, Vienna (Austria)
2003-2008	Doctoral candidate, Department of Clinical Nutrition, University of Eastern Finland (University of Kuopio) (Finland)
Teaching experience	
2019-present	Sigmund Freud Private University Master's programme in Medicine and Dentistry: Literature search; academic writing and plagiarism; quality in research/plagiarism
2014-present	Karl Landsteiner Medical University, Krems, Austria Medical Science bachelor programme: Observational studies and their critical appraisal; academic writing and literature search; Discussion of Bachelor thesis study protocols/exposés; literature search; Clinical Epidemiology and Evidence-based Medicine; Methods of Social Sciences; Public Health Statistics, Epidemiology, Demography
2012-present	University for Continuing Education Krems (Danube University Krems), Austria Various Master and university degree courses: Methods of Public Health; Evidence-based Public Health; Epidemiology; Study designs and critical appraisal; Introduction to systematic literature search; Observational studies and their critical appraisal; Systematic reviews and their critical appraisal; Introduction to scientific work
2012-present	Various workshops by Cochrane Austria Critical appraisal of observational studies; evaluation of systematic reviews

2005-2007	University of Kuopio, Finland Nutrition and Biochemistry degrees: Basics of Nutrition

PhD thesis	Mager U (2008): The role of ghrelin in obesity and insulin resistance. Kuopio University Publications D. Medical Sciences 428, University of Kuopio, Kuopio, Finland
MPH thesis	Mager U and Haapala I (2004): Teaching "5 A Day" in English-as-second-language classrooms in Finland. University of Kuopio, Kuopio, Finland
Master thesis	Mager U (2003): Nutrition education to increase the fruit and vegetable

	consumption among fifth and sixth grade children of Rajala elementary school in Kuopio, Finland. Department of Nutritional Sciences, University of Vienna, Wien, Austria
Presentations and workshops	
05/2023	'Infos ohne Nebenwirkung' - Entwicklung und Anwendung einer Checkliste für Laien zur Bewertung von Online-Gesundheitsinformationen' ['Info without side effects' - development and application of a checklist for laypersons to evaluate online health information'], oral presentation at the 26th Annual Scientific Meeting of the Austrian Society for Public Health, St. Pölten, Austria
11/2022	'Health status of people with intellectual disabilities: A systematic literature review', oral poster presentation at the 15th European Public Health Conference, Berlin, Germany
10/2022	'Infos ohne Nebenwirkung' - Checkliste zur Beurteilung von Gesundheitsinfos' ['Info without side effects' – Checklist for assessing health information'], oral presentation at the 7th Conference of the Austrian Health Literacy Alliance, Hard, Austria (online)
05/2022	'Analyse von gezielten Disseminierungsaktivitäten von Cochrane Public Health Evidenz im deutschsprachigen Raum: eine Querschnittsstudie' ['Analysis of targeted dissemination activities of Cochrane public health evidence in German-speaking countries: a cross-sectional study'], oral presentation at the 25th Annual Scientific Meeting of the Austrian Society for Public Health, online
02/2022	'Projekterfahrungen mit Citizen Science in der Forschung' ['Experience with Citizen Science in research projects'], oral presentation at the 'Roundtable Research', University for Continuing Education Krems, Austria (online)
06/2021	'Evaluation of the »H2NOE« Water Schools in Lower Austria programme to promote the water consumption in elementary schools – a non-randomised controlled cluster trial', oral poster presentation at the 11th IUHPE European Conference on Health promotion, Girona, Catalonia, Spain (online)
06/2021	'»H2NOE« Wasserschule - Evaluierung des Pilotprojekts' ['»H2NOE«-Water School: Evaluation of a pilot project'], presentation at the information afternoon for primary school headmasters and teachers in Lower Austria, online
10/2020	'Promotion of water consumption in elementary schools: evaluation of the 'H2NOE Water Schools' program', oral presentation at the 16th World Congress on Public Health, online
05/2019	'Entwicklung einer Skala zur Messung des Gesundheitsbewusstseins' ['Development of a health consciousness measurement scale'], oral presentation at the 22nd Annual Scientific Meeting of the Austrian Society for Public Health, Vienna, Austria
03/2019	'Evidenz in Public Health Entscheidungen – Entwicklung eines multiperspektivischen und transdisziplinären Konzepts von Evidenz' ['Evidence in Public Health Decisions - Development of a multi-perspective and transdisciplinary concept of evidence'], oral poster presentation at the 20th Annual Meeting of the Evidence-based Medicine Network, Berlin, Germany
11/2018	'Schreiben von wissenschaftlichen Artikeln' ['Scientific article writing'], half-day workshop at the Basic course for authors, 19-20 Nov 2018 at the University of Applied Sciences for Health Professions Upper Austria, Steyr, Austria
09/2018	'Evaluation des Projekts H2NOE-Wasserschulen' ['Evaluation of the Project H2NOE-Water Schools'], presentation at the information event for headmasters in Lower Austria, Perschling, Austria
05/2018	'Public Health Stakeholder und ihre Sichtweisen auf Evidenz in der Entscheidungsfindung' ['Public health stakeholders and their perspectives on

	evidence in decision making'], oral presentation at the 21st Annual Scientific Meeting of the Austrian Society for Public Health, Vienna, Austria
03/2018	'Public Health Stakeholder und ihre Sichtweisen auf Evidenz in der Entscheidungsfindung' ['Public health stakeholders and their perspectives on evidence in decision making'], oral poster presentation at the 19th Annual Meeting of the Evidence-based Medicine Network, Graz, Austria
02/2018	'Worauf muss man bei der Bewertung von Beobachtungsstudien achten?' ['What to consider when critically appraising observational studies'], half-day workshop at the Austrian Federal Office for Safety in Health Care, Vienna, Austria
03/2017	'Ernährungsstudien kritisch bewerten: Beispiel Diabetes' ['Critically evaluating nutrition studies: diabetes as an example'], invited presentation at the 34th Nutrition Congress of the Association of Dieticians of Austria, Vienna, Austria
10/2015	'Rapid reviews: timely evidence synthesis for decision makers', workshop at the 23rd Cochrane Colloquium in Vienna, Austria
06/2015	'Von Studien zur Empfehlung – und zurück?' ['From studies to recommendation - and back?'], invited presentation at the 3. forum.ernährung heute-Dialog, Vienna, Austria
05/2015	'Evidence-informed Public Health: die Cochrane Public Health Group erhält eine Basis in Europa' ['Evidence-informed public health: the Cochrane Public Health Group is getting a base in Europe'], oral presentation at the 18th Annual Scientific Meeting of the Austrian Society for Public Health, St. Pölten, Austria
01/2014	'Kritische Bewertung von medizinischen Studien' ['Critical appraisal of medical studies'], 1-day workshop at the Ludwig Boltzmann Institute Health Technology Assessment, Vienna, Austria
11/2010	'What do we measure, when we say we measure student participation? – a quantitative and qualitative investigation of the participation concept within the school context', presentation at the Research Collaboration Seminar: Focus on Participation, Copenhagen, Denmark
11/2010	'Effects of student participation in decision-making at school. A systematic review and synthesis of empirical research', presentation at the Research Collaboration Seminar: Focus on Participation, Copenhagen, Denmark
07/2010	'Effects of student participation in school- and class-related decision-making – Evidence from a systematic review', oral presentation at the 20th IUHPE World Conference on Health Promotion, Geneva, Switzerland
06/2010	'Evidence for effects of student participation in decision-making at school – a systematic review', oral presentation at the Annual meeting of the Health behaviour in school-aged children study, Kibbutz Tzuba, Israel
09/2009	'Schülerbeteiligung an schulischen Entscheidungen – Gibt es Evidenz für die gesundheitsförderlichen Auswirkungen?' ['Student participation in school decision-making - Is there evidence for the health-promoting effects?'], oral presentation at the 13th Annual scientific meeting of the Austrian Society for Public Health, Workshop „Young health scientists“, Linz, Austria
06/2009	'Development of an HBSC survey tool to measure student participation in school-decision making processes by headmasters', oral presentation at the Third European Conference on Health Promoting Schools, Vilnius, Lithuania
06/2009	'Development of HBSC survey tools to measure student participation in school decision making processes – An Austrian example', oral presentation at the Annual meeting of the Health behaviour in school-aged children study/Health Promotion Research Centre Annual Conference, Galway, Ireland
05/2008	'The role of ghrelin in obesity and insulin resistance', oral presentation at the

	Young Investigators United meeting at the 16th EASO European Congress on Obesity, Geneva, Switzerland
03/2008	'The role of ghrelin in obesity and insulin resistance', oral presentation at the Second Annual Post-Graduate Symposium of the Graduate School of Molecular Medicine, Tahko, Finland
03/2007	'Variations in the ghrelin receptor gene associate with measures of obesity in subjects of the Finnish Diabetes Prevention Study', oral presentation at the First Annual Post-Graduate Symposium of the Graduate School of Molecular Medicine, Vuokatti, Finland
06/2006	'Expression of ghrelin and growth hormone secretagogue receptor in lymphocytes', oral presentation at the Nordic Obesity Meeting, Reykjavik, Iceland
04/2006	'Association between ghrelin gene variations and blood pressure in subjects with impaired glucose tolerance', oral presentation at the Annual Scientific Meeting of the Finnish Hypertension Society, Helsinki, Finland
Other academic activities	
Editorial roles	Methods Editor <i>Cochrane Public Health</i> (since 2017); Associate Editor <i>Systematic Reviews</i> (2017-2021); Associate Editor <i>Cochrane Evidence Synthesis and Methods</i> (since 2022)
2023	Member of the Workshop Committee of the Cochrane Colloquium 2023, London, UK
2018-2021	Deputy spokesperson of the Austrian Section of the German Network for Evidence-Based Medicine
2018-2019	Member of the Process Optimisation Taskforce at the Department for Evidence-based Medicine and Evaluation
2018	Member of the Abstract Committee of the Cochrane Colloquium 2018, Edinburgh, UK
2017	Member of the local organizing committee, European Forum for evidence-based prevention (EUFEP), Krems, Austria
2014-2015	Abstract Co-Chair for the Cochrane Colloquium Vienna 2015
Professional Memberships	Member of the Austrian Society for Public Health (since 2015); member of the Association of Nutritional Scientists Austria (VEÖ); member of the Austrian Nutrition Society (ÖGE); member of the Health behaviour in school-aged children (HBSC)-working group (2009-2011)
Review activities	Review of an application for a postdoctoral position from the Danish Council for Independent Research Medical Sciences
Peer review for international journals	Health Promotion International (2015, 2023) Societies (2023) Cochrane Evidence Synthesis Methods (since 2022) PLOS ONE (2021) Systematic Reviews (2017-2021) Journal of Primary Prevention (2019) BMC Public Health (2014) Health Education (2010, 2011) Hypertension Research (2009) Diabetes Research and Clinical Practice (2009) Diabetologia (2008) Acta Biochimica et Biophysica Sinica (2008) Archives of Medical Research (2008) Clinical Endocrinology (2008) Physiological Genomics (2007) The Scandinavian Journal of Clinical & Laboratory Investigation (2006) European Journal of Clinical Investigation (2005)

Activities at scientific conferences	Session chair at the Cochrane Colloquium 2015 (Oral presentations: Rapid reviews and overviews of reviews) Session chair at the European Forum for evidence-based prevention 2017 (Plenary: Child and Adolescent Health in Europe: Where do we stand?)
